Employees hired prior to January 2, 2013 will accrue time at the 6 years and beyond level.

Each full time employee will accrue PTO beginning at date of hire, bi-weekly in increments based on their length of service and normal hours worked as defined below:

- a) PTO is added to the employee’s PTO bank when the bi-weekly paycheck is issued;
- b) PTO taken will be subtracted from the employee’s accrued time bank in fifteen minute increments;
- c) temporary employees, contract employees, and part time employees are not eligible to accrue PTO.

Eligibility to accrue PTO is contingent on the employee either working or utilizing accrued PTO for the entire bi-weekly pay period. PTO is not earned in pay periods during which unpaid leave, short or long term disability leave or workers’ compensation leave are taken.

Employees may use time from their PTO bank in fifteen minute increments. Time that is not covered by the PTO policy, to include; Town paid holidays, bereavement time off, and military service leave over thirty (30) days. Time off sheet will still be required.

Paid Time Off (PTO) Exceptions:

- employees who miss more than three consecutive unscheduled days may be required to present a doctor’s release that permits them to return to work;
- PTO taken in excess of the PTO accrued can result in progressive disciplinary action up to and including employment termination. This time will be unpaid. The only possible exception to this policy must be granted by the affirmative vote of the Board of Selectmen;
- PTO accrued prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave;
- under the Family and Medical Leave Act (FMLA) policy, all accrued PTO time is taken before the start of the unpaid FMLA time;
- unscheduled absences, due to illnesses of four hours or more, that result in consecutive days absent from work are considered one absence incident in relationship to potential disciplinary action.

Specific Eligibility for Paid Time Off (PTO)

PTO is earned on the following schedule based on a fulltime 30-40 hour work week. PTO is prorated based on the number of hours worked on an employee’s regular schedule.

<u>Years of Service</u>	<u>Holidays</u>	<u>Paid Time Off</u>	<u>Total</u>	<u>Max buy out</u>
0 through 2 years	91	105	196	35 hours
3 through 5 years	91	143	234	105 hours
6 years and beyond	91	245.5	336.5	120 hours

This table is based on 35 hours worked per week on a bi-weekly pay schedule. Hours accrued will be adjusted up or down according to hours each employee works.

Each employee may carry the equivalent of two (2) weeks of normal hours of accrued PTO into a new calendar year. Employees are responsible for monitoring and taking their PTO over the course of a year so that they do not lose time accrued when the current calendar year ends. PTO is subject to supervisory approval.
