

**REMOTE PARTICIPATION POLICY
TOWN OF LYMAN PLANNING BOARD**

Pursuant to 1 M.R.S. § 403-B, and after public notice and hearing, the above-named body adopts the following policy to govern the participation, via remote methods, of members of the body and the public in the public proceedings or meetings of the body.

Members of the body are expected to be physically present for meetings except when not practicable, such as in the case of an emergency or urgent issue that requires the body to meet via remote methods, or an illness or temporary absence of a member that causes significant difficulty traveling to the meeting location. All Selectmen meetings will be accessible by Zoom or other remote platform when possible. A member who is unable to attend a meeting in person will notify the chair or presiding officer of the body as far in advance as possible.

Remote methods of participation may include telephonic or video technology allowing simultaneous reception of information and may include other means necessary to accommodate disabled persons. Remote participation will not be by text-only means such as e-mail, text messages, or chat functions.

The public will be provided a meaningful opportunity to attend via remote methods when any member of the body participates via remote methods. If public input is allowed or required at the meeting, an effective means of communication between the body and the public will also be provided. The board chairperson may instruct the moderator to force mute members of the public who are disruptive to the proceedings. The public will also be provided an opportunity to attend the meeting in person unless there is an emergency or urgent issue that requires the entire body to meet using remote methods.

Notice of all meetings will be provided in accordance with 1 M.R.S. § 406 and any applicable charter, ordinance, policy, or bylaw. When the public may attend via remote methods, notice will include the means by which the public may access the meeting remotely and will provide a method for disabled persons to request necessary accommodation to access the meeting. Notice will also identify a location where the public may attend the meeting in person. The body will not restrict public attendance to remote methods except in the case of an emergency or urgent issue that requires the body to meet using remote methods of attendance.

The body *will* make all documents and materials to be considered by the body available, electronically or otherwise, to the public who attend remotely to the same extent customarily available to the public who attend in person, provided no additional costs are incurred by the body.
