To whom it may concern:

Ironwood Heavy Highway, LLC will be working on behalf of Central Maine Power performing vegetation maintenance on the electric distribution right-of-way on or adjacent to your property. We are a certified tree care and vegetation maintenance company whose professionals take pride in their work.

Ironwood Heavy Highway, LLC provides vegetation management and storm restoration services covering thousands of miles across the United States, while being headquartered in Rochester, NY. We pride ourselves in our core values of safety, professionalism, and work quality. We always look to work with our customers to meet their program goals including manual climbing, aerial lifts, off road lifts, and IVM techniques.
