

Transfer Station Reconstruction Scheduled Early October

Demolition and concrete work anticipated to being **Monday October 2, 2023**

Transfer Station will be closed Tuesday October 3rd. Normal Business hours to resume the following Thursday.

During business hours certain areas will be closed while contractors complete the demolition and rebuild project. **Residents can bring their regular household trash and recycling during regular hours.** Project is anticipated to take approximately 2 weeks to complete, with weather permitting.

Swap Shop will be closed until constructions is complete.
(Approximately 10/2 - 10/15)

Between October 2nd and October 15th residents will not be able to bring bulky items to the transfer station, such as construction debris, metal, appliances, etc. Residents may take bulky items to the Kennebunk Transfer Station, fees will apply. For more information, see below
